NOTICE OF AVAILABILITY OF CHANGED TEXT

On September 3, 2003, California Insurance Commissioner John Garamendi issued a Notice of Proposed Action and Notice of Public Hearing, proposing the adoption of a Plan of Operations for the California Automobile Assigned Risk Plan. The Department held a public hearing and received written public comments in response to the Notice.

PUBLIC COMMENT INVITED:

The Commissioner has proposed changes to the text of the Plan of Operations in response to public comments, and now solicits written comments on those changes only, which are attached. Comments submitted on unchanged portions will not be considered.

The Commissioner believes the changes made are either nonsubstantial or solely grammatical in nature, or are sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed regulatory action. Accordingly, pursuant to the provisions of California Government Code Section 11346.8(c), the Commissioner is soliciting written public comment on the changes. A copy of the changes, with the proposed changes clearly indicated, is available for public comment for at least 15 days. Deletions are indicated in strikethrough; additions are underlined.
